The Primary Adult will remain inactive, and you can select the child you want to enroll in the program.

This is the spot to add any additional authorized pickups for your child. It is not required.

Please complete all information for the Child Profile

The "Review Registrations" page will show you what programs your child is registered for, take notice that \$0 is due today! The due dates for the summer weeks will be below the amount for the week.

The final checkout screen is when you enter payment information. We accept credit, debit and bank drafts. Again, no payment is due today. The dates listed are when the payment will process.

You are done! Your child is registered for summer camp!
